# BE WELL REAL LOVE

## HIS EMINENCE ARCHBISHOP DEMETRIOS

Archbishop Demetrios was enthroned on September 18, 1999 at the Archdiocesan Cathedral of the Holy Trinity in New York City. As Archbishop of America, Exarch of the Ecumenical Patriarchate, and head of the Eparchial Synod of the Archdiocese, His Eminence has traveled extensively in his work as archpastor and shepherd. Known to many of our clergy through those travels as well as a beloved professor of Old Testament at Holy Cross, His Eminence will host the unique "Archbishop's Welcome Reception" on Tuesday.

**HIS GRACE BISHOP GREGORY OF NYSSA**

He received his medical degree from Indiana University School of Medicine and has been in practice for 38 years. He specializes in Wholistic and Integrative Medicine and was recently certified by the American Board of Integrative Medicine. He cares deeply about the health and wellness of the clergy of our Church and is enthusiastic about the opportunity to help our clergy "Be Well."

**HIS GRACE BISHOP GREGORY OF NYSSA** His Grace is the Primate of the American Carpatho-Russian Orthodox Diocese of the USA. Prior to ordination he worked for more than 20 years in the field of Cardiovascular Research, authoring hundreds of articles and writings. His life of service to the Church includes being an Acolyte, Sunday School teacher, Parish Council President and Orthodox missionary. He was tonsured a monk at the Monastery of Agia Lavra in Kalavryta, Greece, then ordained to the priesthood and episcopacy in America. He has experienced the realities of life and ministry on many levels and actively embraces the opportunity to help us all "Be Real" about ourselves and our lives.

## "Growing in true wellness, integrity and love as men of God"

Priesthood is not just about what we **DO**, but what we **ARE**. And in order to **BE** who we should, we need to better connect with our self, with Christ, and in Him with those around us.

Our "**BE WELL**" Encounter will help us focus on how to integrate our entire being into a wellness stewardship that empowers everything we do. The "**BE REAL**" Encounter will challenge us

to examine our personal and priestly integrity so we can be both "**WHOLE**" and "**REAL**" in all we do. And the "**BE LOVE**" Encounter will offer personal examples of

love experienced in the ministries and lives of our brother clergy so we may all more fully embrace our calling to be true models of **LOVE** to those around us. **BE THERE!**

## Encounters & Engagements

"The 2015 speakers have been specially selected not just to **INform** you but to **TRANSform** you, so we don't do lectures; we have "**Encounters**." And forget about "discussion groups"; come ready for active "**Engagements**" following each session. Our specifically recruited and trained "**Energizers**" will keep participation active, so plan on rolling up your sleeves and engaging.
